Convened at: 10:00 a.m.

Approval of Minutes
Sam Wardle made a motion to approve the minutes for January 25, 2017; Jim Mitchell seconded the motion. The minutes were approved as distributed.

Summer Lagoon Party
The Company Summer Party at Lagoon is scheduled for June 17.

Lagoon has arranged for us to be in the Honey Locust pavilion. Dinner will be served from 5 p.m. to 6 p.m. Meals will include hamburger and hotdogs.

Shift workers will be given a choice between Lagoon tickets, gift cards, or a dinner.

Guest tickets will be available at the Reception Desk before the party and at the EAO booth that morning, employees will be required to use a PDF form ***signed by an employee to purchase tickets at the park***.

Summer Parade Floats
A suggestion was made to use the winter light parade float and enter it in the Fillmore parade. This float will no longer be used because Delta is no longer holding their light parade. It can be cleaned up and refurbished for another summer parade float. This will need a decision by Staff.

The toys have been ordered for handing out at the parades. Pam will order the candy.

Warehouse will no longer be available to store the IPSC floats because Warehouses 2 and 4 will be used for storage during the construction of the natural gas units.

A request has been made to find pocket measuring tapes that can be handed out at the parades and possibly for EAO merchandise.

Drivers will need to be decided upon by the next meeting.

Christmas Party
The fairground's hall in Delta will be reserved for December 8.

Kurt will get pricing for both Magleby's and Ashton's to cater.

Entertainment will need to be found. Sam Wardle suggested inviting a hypnotist to perform again. It has been several years since we have had one for the entertainment.

As previously discussed, retirees and their spouses will be allowed to attend at no cost. They will, however, be unable to enter the drawings.

Inventory
There has been several requests for clothing with the powerline design on them. Dan will get a quote from two different companies.

To make it easier for shift workers to get frozen food, it was suggested that the EAO purchase a smaller freezer to keep in the Main Control Room. This will need approval from staff.

Miscellaneous
The awards ceremony for Delta High School is tonight. Jim Mitchell will attend and present the Student Achievement Awards.

The next Blood Drive will be September 12.

Sam Wardle made a motion to close the meeting. Jake Abbott seconded the motion. The motion carried.

The next meeting will be held on June 14, 2017.
