Minute Approval:

Tyler Finlinson made a motion to approve the minutes for September 22, 2021; Carl Watson seconded the motion. The minutes were approved as distributed.

Christmas Party

Magleby's will cater. The Fairgrounds building has been reserved for December 10. Carl Watson will get tickets prepared along with a flier to be posted; he will also prepare retiree information letters.

Helen Erickson will get a list of employees on shift the night of the party so they can be entered in the drawing and gift cards can be purchased.

The soccer team will do the set up and take down, and the orchestra is scheduled to play.

Budget

Jake Abbott reported that the bank account register has been balanced and all questions on the unidentified checks have been answered. He also suggested an audit on all EAO items, probably in January 2022.

Coal

The mine is currently moving a long wall. They will inform us as soon as coal is available.

The sale of coal will need to be more tightly controlled this year because several employees took advantage of the sale last year by not scheduling their pickup and loading up before the sales were to take place. Coal will be available for pickup on Saturdays *only*, and purchased with by PDF.

Retirees and non-employees will need to go through an employee to purchase the coal. They will pay the employee who will turn in a PDF.

Vendors

Phil Diaz is not selling snacks any more so another vendor will need to be found. Several options were discussed including someone purchasing Phil's machines or contacting outside vendors such as Coke, Pepsi, or Aramark. Joni Dutson will contact the schools and hospital to see who they contract with.

EAO Merchandise

The decision was made to remove all of the stock numbers on the EAO merchandise because none of the EAO Merchandise is located in the Warehouse and the numbers are not necessary. This will help make processing by the Clerical Pool easier.

Helen Erickson will get with the Clerical Pool to have the 10 percent discount entered back into the system for all EAO members. The 10 percent discount will not include Lagoon, movie or golf course tickets.

Light Parade

This year's light parades for Delta and Nephi are scheduled on the same night: November 27. Therefore the company will need to use two vehicles, Kolyer Anderson will get these vehicles ready and find drivers.

Food Drive/Sub-for-Santa

Joni Dutson and Casey Draper will spearhead both of these programs. They will get with Karla Dutson who was in charge the past couple of years.

Miscellaneous

Joni Dutson received a Travelers Insurance packet and was wondering what to do with it. Jake Abbott said he would look into it.

Jake Abbott made a motion to close the meeting. James Dean second the motion. The motion carried.

The next meeting is scheduled for December 15, 2021.
