

Employees Activity Organization  
Representatives Meeting  
August 17, 2022                      Conference Room 3

EAO Representatives in attendance:

Rick Fowles	Casey Draper
Kevin Miller	James Dean
Helen Erickson	Trevor Johnson
Jake Abbott	Tyler Finlinson
Joni Dutson	

**Convened at:** 10 a.m.

**Minute Approval:**

Tyler Finlinson made a motion to approve the minutes for June 6, 2022; Casey Draper seconded the motion. The minutes were approved as distributed.

**Gift Cards for Operations**

Gift cards, for the Operators who were unable to attend the Summer Party, are in the process of being approved and purchased.

**Parade Float Volunteers**

Several employees stepped up and volunteered to help out with this year's IPSC float.

Kevin Miller relayed Jon Finlinson's concerns for safety in light of the past accidents that have occurred with other floats. Safety regarding the float and handing out prizes was discussed and reviewed.

Discussion continued regarding the most popular prizes and what was easiest to get to the crowd. Joni Dutson made a note of those items to reorder next year.

**Christmas Party**

Kurt Sorensen has contacted Magleby's and reserved the date of the party with them, and a new band will play for the dance later in the evening. A slide show of IPSC's past will play on a loop on various TVs through the night.

Ideas for entertainment were discussed. Several suggested a magician. No decision at this time.

The party will end around 10 or 10:30 p.m. to give those cleaning up time to do so. That way they are not out so late.

It was proposed that this year's grand prize be a gift certificate to an upscale resort. Several places discussed: Zermatt resort in midway, Mesquite in Nevada, and Great Wolf Lodge which has two locations – one in Colorado and one in Arizona. James Dean was asked to discuss this with Kurt Sorensen.

### **Inventory**

Frozen food is starting to get difficult to obtain again. However, there is enough substitute brands that can be found to help fill the one freezer.

### **EAO VP Replacement**

The EAO Organization needs a new VP to replace Seth McPherson who left IPSC. Several nominees were suggested. After a brief discussion Casey Draper was voted in as Vice President.

With the changes taking place at IPSC it is getting difficult to keep employees interested in the EAO Organization. Does the EAO need to make operating changes? Scale down its responsibilities? No decision was made at this time.

Several suggested adding clothing to the new store that will be opening onsite for the contractors. This will help increase EAO income and Laura Shield's crew already know how to process the sales for the EAO. Tyler Finlinson said he would be willing to facilitate this and will order more hoodies for the winter.

Rick Fowles asked the Representatives to go back to their crews and see if there is any interest in being on the EAO Organization.

### **Miscellaneous**

Kevin Miller asked who owns the snow cone machine, if it was the EAO or IPSC. Ownership was unknown, it was agreed that IPSC be allowed to put it in salvage because it is no longer used.

Joni Dutson displayed several thank you cards from winners of the EAO Student Achievement Awards drawing.
