

Employees Activity Organization  
Representatives Meeting  
November 16, 2022                      Conference Room 4

EAO Representatives in attendance:

Rick Fowles	Casey Draper	Helen Erickson
Jake Abbott	Joni Dutson	Carl Watson
James Dean	Kolyer Anderson	

**Convened at:** 10 a.m.

**Minute Approval**

Casey Draper made a motion to approve the minutes for October 19, 2022; Carl Watson seconded the motion. The minutes were approved as distributed.

**Night Parade Floats Update**

The IPSC float for the Delta Night Parade has been registered with the city. However, Helen Erickson has been unable to get the one for Nephi registered. She will reach out and try again.

Later, when Kolyer Anderson joined the meeting, he informed the group that Nephi doesn't really do a parade, but vehicles park around the city park on display.

James Dean said he has been in touch with Staff and Kevin Miller stated that the company is willing to purchase two generators and donate them to the EAO. This will help with the floats that will be used during the celebrations after Thanksgiving. Casey Draper suggested purchasing two Honda 2000s that can be linked when more power is needed.

**Christmas Party**

Final preparations were discussed: setup, supplies, arrival of the band, etc.

Discussion continued on how best to add the employees on shift to the drawing that will take place.

Casey Draper and Joni Dutson reported that Jason Hewlett, the DJ for the night, provided the EAO with a video invitation that we can send out to all employees. The video was played and approval was given to send it out today.

Checks will need to be made available for all vendors at the end of the night.

- Casey Draper and Carl Watson will work on the flier to be sent out.
- Joni Dutson will distribute the flier.

- Helen Erickson will forward the flier via PowerPoint to Lisa Bradfield to post on the electronic boards.
- Rick Fowles will send a reminder e-mail to pick up tickets at the Warehouse Issue Window. And inform Supervisors to please pick up only those tickets that they need for those on their crew who are going to attend the party. This will help with getting a better count for food.

### **Inventory**

The freezer that holds the ice cream went out. After it is fixed, more ice cream will be purchased.

The availability of frozen food has improved and the organization is having an easier time keeping it in stock.

A new order of hoodies and hats has arrived. They will be put out for sale as soon as the invoice is received and we know what the cost is.

### **2023 Meeting Calendar**

The EAO 2023 Meeting Calendar was approved with one change needed. Helen Erickson will make that change, reserve the Conference Rooms, and send it out to all Representatives.

### **Miscellaneous**

Discussion regarding inviting Kolby Andersen to the Christmas Party. He is a contractor, however, not one with employees, and he also does not pay dues. After some discussion Casey Draper made a motion to see if IPSC would be willing to sponsor Kolby and his wife this year so they can participate in the party without paying the \$25 per person. Then see if Kolby would like to participate in the EAO by paying the dues with a check. Jake Abbott seconded the motion. The motion passed by all present.
