Convened at: 11:10 a.m.

Rick Fowles summarized last month's meeting for those that weren't in attendance.

Summer Party Report

James Dean talked to Robert Ashman about the East Side Posse cooking hamburgers for IPSC summer party. Robert expressed interest in doing so and said that he would let James know if the Posse would be available to do that. The posse has big grills that they could use. IPSC will supply all the meat.

Discussed having a cook-off contest and whether to do a smoker or dutch oven contest. Majority voted for Dutch Oven cook-off. Talked about having a panel of five judges, one person from each department. Talked about ways to pick the judges. There will be three winners.

Need to find a different location to have the IPSC summer party. Delta City does not allow inflatables and does not take reservations. Koyler is finding out information about the Nephi City Park. Joni is finding out information on the Oak City Park and Town Hall.

Drawings

The drawing for April was held. Using a random number generator app, the employees were chosen from a numbered list with employees names. Rick contacted the Bowling Alley and four bowling passes were also added to the list of prizes.

Casey Draper made a motion to close the meeting. Dylan Finlinson second the motion. The motion carried.
