**Company Christmas Party Report**

No negative feedback from the employees.

- Approximate count of guests was 400 (about 100 – 150 less than previous years).
- Magelby's did a good job getting everybody through the lines and were very accommodating. They also complimented IPSC saying that we were more welcoming than any crowd they catered to.
- People have really enjoyed the Delta High orchestra playing at the beginning of the night, and the orchestra enjoys being able to perform for us. It gives them a chance for the spotlight.
- Costs came in under budget.
- The performer was entertaining.

Congratulations to Kurt Sorensen for another successful Christmas Party. Tony suggested having someone shadow Kurt to get a feel for what he does in case he retires in the coming years.

**Summer Party**

Several pricing options were reviewed for attending a Bees game.

The hope is that seats as well as food can be obtained at a reasonable rate for the large IPSC group.

Preferred dates are: First choice - June 22 (with fireworks)  
Second choice – August 3 (without fireworks).

Brandon Bishop will try to pin down options for 500 people for next month's meeting.

### **Blood Drive Report**

63 employees, 1 spouse, and 1 contractor participated in the blood drive.

Total: 65 Donors with 55 Units Collected.

The next blood drive will be September 24, 2019.

### **Sub-for-Santa/Food Bank Report**

Sub-for-Santa: \$1,740 through cash, PDF forms, and EAO Gift Certificates.  
\$1,026 through VOLTS observations.  
Plus various presents.

Food Bank: \$565 through PDF forms and EAO Gift Certificates.  
There were a total of 26 Christmas Gift Certificates that employees did not pick up from the Warehouse. Those will also be donated to the Food Bank.

The vendors have all been reimbursed for the certificates they collected through November and December.

As a thank you for her work on the Sub-for-Santa program, Karla Dutson will be given a \$50 gift certificate.

### **Inventory**

The EAO will need to purchase more of the embroidered IPSC hats to be ready for the Outage.

It was reported that Nielson Sunbeam has lump coal for sale, but at a higher price. Kurt Sorensen will check on this.

### **Summer Float**

Tony asked to be thinking about what to do for this summer's float. It is early but it always seems to come up fast.

### **Miscellaneous**

#### Budget Review

We went over budget last year – mostly because of the summer party.

Tony asked everybody to try to be at the meeting next month so we can complete plans for the coming summer – February will be the last meeting we will have until May.

***Rick Fowles made a motion to close the meeting. Dan Piacitelli seconded the motion. The motion carried.***

The next meeting will be held on February 20, 2019.
