INTERMOUNTAIN POWER SERVICE CORPORATION

Dear Prospective Buyer:

This catalog consists of surplus material available for immediate sale from Intermountain Power Service Corporation (IPSC) located at 850 West Brush Wellman Road, Delta, Utah. Mr. Brandon George may be contacted at (435) 864-6535 or by fax number (435) 864-6678 for further information. To arrange an inspection of items listed in this catalog and bid package, contact Robert Brewer at (435) 864-6838.

Bids may be submitted by mail or in person and must state the ID number of the item or lot number and be attached to a completed copy of the Terms and Conditions of Sale Form. Bid forms may be reproduced directly from the bid package. Payment must be made by cashier's check, money order, certified check, or, when approved, a credit memo. All bids should be quoted F.O.B. Intermountain Power Plant site.

Please read the attached Terms and Conditions of Sale Form. If agreed, Buyer will fill out the required information and return with the bid sheet. Bids that are returned without the signed form or the required deposit may not be considered.

A sale requiring a Buyer to be on site for an extended period of time may necessitate insurance, which will be determined by the IPSC Risk Analyst, Mr. Van Beckstrom, prior to a sale being concluded and will be on a case-by-case-basis.

All bids require a deposit. Bids exceeding a total dollar amount of five hundred dollars (\$500) must be accompanied by a 10 percent deposit. Bids less than five hundred dollars (\$500) will require a deposit of twenty dollars (\$20). Bid deposits will be refunded to unsuccessful bidders. **Successful bidders failing to conclude a contract will forfeit such deposits and all monies may be applied against the portion of the contract that has not been completed.**

All accepted offers will be required to include a signed and completed copy of appropriate forms, along with payment, to IPSC prior to sale becoming final.

TERMS AND CONDITIONS OF SALE

EXCEPT AS MAY BE PROVIDED FOR OR AGREED TO IN SEPARATE DOCUMENTS, THE PARTIES AGREE THAT THE FOLLOWING PROVISIONS SHALL APPLY TO ANY OFFER TO PURCHASE AND ANY RESULTING AGREEMENT OF SALE COVERING ANY ITEM (S) OF PROPERTY LISTED IN THIS CATALOG.

AWARD: SELLER, Intermountain Power Service Corporation (IPSC) reserves the right to reject any or all bids. Only the successful bidder will be notified of awards. SELLER shall notify successful bidder of bid awards within one (1) week of closing date.

BID DEPOSIT: All bids require a deposit to accompany the bid package. Bids exceeding five hundred dollars (\$500) require a deposit equal to 10 percent of the bid. Bids less than five hundred dollars (\$500) will require a deposit of twenty dollars (\$20). Unsuccessful bidders will have their deposit returned, successful bidders will have the option of having their deposit (s) applied to their purchase.

FAILURE TO PERFORM: If for any reason whatsoever: (a) Buyer fails to make payment in full as required within fifteen (15) calendar days after notification of acceptance of bid; or (b) Buyer fails to completely remove any items from premises where sold within fifteen (15) calendar days of acceptance or such longer time as may be reasonably necessary in light of inherent difficulties in effecting such complete removal, then Buyer agrees that any agreement resulting from its offer shall automatically terminate, Buyer shall lose all of the right, title, and interest which it had or might otherwise have acquired in any items to which such failure relates, and all such right, title, and interest shall revert in SELLER. SELLER may retain all deposits or payments made with respect to such items as liquidated damages. In addition Buyer agrees to reimburse SELLER for all cost and expenses, including attorney fees, arising out of any failure by Buyer to perform hereunder.

PAYMENT AND PASSAGE OF TITLE: Title shall pass upon payment in full. Pending payment in full, SELLER retains a purchase money security interest in the property sold. Payment shall be made by cash, certified check, cashier's check, or when approved, a credit memo to the SELLER upon receipt of notification of acceptance of bid, and before removing any of the items from the premises.

TAXES: Buyer agrees to pay all taxes now or hereafter imposed by law upon or on account of the sale, shipment, or use of any goods covered by this sale.

DELIVERY AND REMOVAL OF PROPERTY: Buyer shall remove the property at their expense within fifteen (15) working days after passage of title, unless otherwise agreed to by SELLER. Buyer shall be liable for any damage to property caused by removal operations.

RISK OF LOSS: Upon notice of SELLER'S acceptance of Buyer's bid, and prior to removal, all risk of loss, damage, or destruction from any cause whatsoever shall be borne by the Buyer, except for willful damage or destruction by the SELLER or its agents, in which event the only liability shall be to reduce the sale price applicable to the damaged goods.

VARIATION IN QUANTITY OR WEIGHT: Any variation in quantity or weight of any item between that listed on bid and that delivered will be adjusted on the basis of the unit price quoted for such item. No adjustment for variation will be made when property is sold on a "Price For The Lot" basis.

WEIGHING: Seller reserves the right to witness weighing of materials on a certified public scale when material is sold on a per-pound basis.

All surplus items are sold on "AS IS/WHERE IS" basis.

Each bidder should fully inspect property prior to placing bids. Bidders must rely solely on their own inspection. SELLER makes no representations of any kind concerning any of the property for sale or sold.

SELLER PROVIDES NO EXPRESS WARRANTIES, REPRESENTATIONS AND/OR GUARANTEES AND DISCLAIMS ALL IMPLIED WARRANTIES, REPRESENTATIONS AND/OR GUARANTEES AS TO THE TITLE, RIGHTS, QUALITY, QUANTITY, KIND, CHARACTER, WEIGHT, SIZE, SUITABILITY, FUNCTION OR DESCRIPTION OF THE PROPERTY, ITS MERCHANTABILITY, OR ITS FITNESS FOR ANY USE OF PURPOSE.

SELLER provides no indemnity of any kind whatsoever and is to be held harmless from any claim that may arise from the removal, handling, use, disposal, or transfer of property purchased.

This Bid Solicitation Form supersedes all prior or contemporaneous documents and is the controlling document concerning the rights and liabilities of the parties to the referenced bid with the exception of those situations that require the Equipment Disposal Form (Ref. Cover Letter, Paragraph 4 and 5).

INSURANCE: Buyer shall not move, load, transport, or otherwise handle the Equipment on SELLER'S premises without first having obtained such insurance as may be required by SELLER and until certificates confirming such coverages have been furnished to and approved by SELLER. Insurance requirements will be determined at the time of sale. See Paragraph 4, Cover Letter.

By signing this form, bidder acknowledges they have read, understand, and agree with all of the above Terms and Conditions of Sale.
