

Employees Activity Organization  
Representatives Meeting  
August 16, 2023                      Conference Room 4

EAO Representatives in attendance:

Rick Fowles	Trevor Johnson
Dylan Finlinson	Tyler Finlinson
Joni Dutson	Kurt Sorensen
Carl Watson	James Dean
Casey Draper	

**Convened at:** 10 a.m.

**Minute Approval**

Tyler Finlinson made a motion to approve the minutes for June 21, 2023; Casey Draper seconded the motion. The minutes were approved as distributed.

**Inventory**

Knives – Brandon Christensen still wants to be in charge of ordering the knives.

Clothing – Hats and Clothing look good. The EAO will keep maintaining the clothes and hats.

James Dean discussed having a few of *Stop The Bleed Kits* for sale in the EAO glass case. He said that a lot of employees have asked him about having some kits available. It was decided that James will order six kits and see if the employees are interested in buying them. James is also looking into ordering some Life Vac Choking kits.

**Warehouse**

Gloves – Salt City will be supplying gloves again. There won't be a middle man anymore so prices might change. Rick will be looking at samples and then decide which gloves the warehouse will have available.

Dinners – The price for some of the dinners have had to be raised because of the increased cost.

**Vending Support**

The Community Center has requested to have some vending machines available to the residents. There is an outside vendor that is interested in doing this.

## **2023 Christmas Party and Float**

James will look at the float and see what needs to be done to have it ready for the light parade in November.

Kurt has talked to Magleby's about catering the Christmas party and reserved the fair building for December 8. He will also contact the Orchestra Teacher.

Joni and Casey will be checking on some different ideas for the party entertainment.

Everyone voted on having gift cards again for the prize drawings.

Trevor will talk to Mike Reed about possibly being the DJ at the party.

Joni will contact Howard and Betty Jo Western.

## **Future of EAO**

There are questions about the future of EAO. Will it be dissolved or will it transfer over to IPP Renewal?

Will the 2024 summer party be at Lagoon?

Kevin Miller wasn't in attendance so Rick is going to try and meet with him sometime to ask him the questions that we have.

***Dylan Finlinson made a motion to close the meeting. Trevor Johnson second the motion. The motion carried.***
