Minute Approval

Tyler Finlinson made a motion to approve the minutes for September 20, 2023; James Dean seconded the motion. The minutes were approved as distributed.

Company Christmas Party Entertainment – December 8

‘Marcus the Funny Man’ has been contracted and confirmed for the entertainment. Joni Dutson stated she will see if he needs any last-minute items.

Mike Reed will be both DJ and MC. He has been in contact with BettyJo Western (Sounds Unlimited) for the sound system that he needs. She will charge \$1,500 for the night.

Mike Reed informed Casey Draper that he would like to do several contests and have cash prizes for them. The contests he suggested are: ugly sweatshirt competition, a dance off, and name that movie. The consensus among the Representatives was to award actual cash prizes for these

contests instead of more gift cards. Casey Draper will meet with Carl Watson to inform him to add the ugly sweater contest to the Christmas Party invitation.

Mike Reed also state he would need approximately \$200 in music. The Representatives decided to help him purchase the music, give him the music to keep as well as an additional \$300 for the night.

Megan Huber will be available to lead some line dancing.

The discussion turned to retirees attending the party. All retirees are invited, however, only those who retired during the year of the party may participate in the drawings.

Guest tickets will be \$25.

Light Parade Floats

Kolyer Andersen said they would put lights on the floats used during the summer. He will also get with Nephi and Delta to see what they have planned and a theme if any.

If trucks are to be used, they will need to be scheduled ahead of time. The discussion turned to which logo to use on the trucks, IPP Renewed or IPSC or both. The consensus was to use both if possible.

James Dean requested that one be sent to Filmore if possible.

Miscellaneous

Festival of Trees – Kurt Sorensen asked Kevin Miller that when the company purchases trees from the Festival of Trees to please keep them wrapped and available for the Christmas Party before they put them out. That way they won't be so banged up moving them from place to place.

Winter Clothing Drive – Casey Draper was contacted to see if the company would be willing to do a winter clothing/coat drive for high school students in need. After much discussion the plan is to move forward. Casey Draper will touch base with Matt Kolste to be sure that the contractors are not doing something as well, and if they are, possibly do something in conjunction with them. Another thing brought up for this possible clothing drive was to accept cash for those who want to participate that way.

Dustin Peay made a motion to close the meeting. Kolyer Andersen second the motion. The motion carried.
